

TRANSPORTATION

Airport Taxi Shuttle

Private vans and private autos with drivers are available. This is the only taxi service available from the airport because of taxi union rules. We recommend CozuShuttle. There is no need for advance reservations. Once you exit customs, look for the CozuShuttle booth past all the salespeople and go to the end of the airport hall.

They take credit cards.

\$13 USD per person one way \$24 USD per person roundtrip service

Private van airport shuttle van (14 person maximum)

Private airport auto \$54 USD (4 person maximum)

Most drivers know where Casa Gordon is located. However, the address is KM 18.244 Costera Carretera Sur (South Coastal Highway). Located past the Iberostar Hotel. And available on Google Maps. Also, the directions are on arrival information guide.

Here is their contact information if you prefer to make reservations in advance.

If you have questions, please call 011 52 998-215-3528 , ask for Pedro.

Car Rental

If you prefer to rent vehicles then we recommend:

They have a nice fleet of vehicles and well maintained.

If you prefer this option, Chris can help make reservations for you. Or check their online website to reserve. We do recommend taking the CozuShuttle to Casa Gordon on arrival day and having the cars delivered the next day to Casa Gordon due to time to get to the car rental company and the time needed to do the paperwork on arrival day. The car rental company will also pick up the vehicles.

Private Taxi Service

We have a preferred private taxi van driver Jorge who can be hired to transport your group as needed. Jorge can also be reached by What's App or FACEBOOK messenger. Or Chris, general manager, can help make arrangements. Since Jorge is not in the airport taxi union then he and all other city taxi drivers cannot pick up at the airport. However, Jorge can take you to the airport and drop off on departure day.

Arrival in Cancun

We have a recommended driver. Let us help arrange for private taxi van pick up from Cancun Airport to take you to Playa del Carmen Pier where you'll take the ferry to Cozumel.
